Classroom placements will be made based on order of registrations received. Please mark a first and second choice for your child's class level, where requested. Though every effort will be made to honor your first choice of class days, knowing other workable options for your family will enable us to efficiently place all students who wish to enroll in our Beginnings Preschool program. If minimum enrollment requirements are not met for individual sessions, some classes may be combined or reconfigured.

I wish to enroll my child – as noted above - at Beginnings Preschool at St. Andrew's United Methodist Church. I understand that my registration fee is non-refundable.
